### **Dear Colleagues and Friends,**

Rejoice! Celebrating 91 Years — Still Bearing Fruit  
Vision intact. Resolute. Committed to her Lord.

Today we honor the remarkable life and enduring legacy of Dr. Corinthia Ridgley Boone, born February 23, 1935 — a life of faithful service, wisdom, and unwavering devotion.

As we lead into March and **Women's History Month**, we invite you to celebrate her legacy in a meaningful way. Now through March, all proceeds from book purchases will go directly to the **Dr. Corinthia Ridgley Boone NowGen Scholarship Fund** — her special birthday gift to future generations.

### **What You Can Do**

By purchasing a book, your giving affirms both the NOW Generation and the mature:

*"Surely there is a future, and their hope will not be cut off."* — **Proverbs 23:18**

Will you let compassion fill your heart? Offer a double-edged honor by:

1. Giving to the Scholarship Fund — purchase a book (or two).
2. Sharing the gift of guidance, wisdom, and encouragement — give a book to someone in the NOW Generation or someone mature who will be uplifted by its message.

Finally...

Rejoice in a fruitful life lived in full-time volunteer service — living sacrificially with joy for the glory of God. You are warmly invited to send her a card of thanksgiving — even a belated birthday greeting during Women's History Month:

Send to:

**PO Box 5286**

**Takoma Park 20913**

May the God of hope fill you with all joy and peace as you consider this request.

Warm regards,

Respectfully submitted,

International Christian Host Coalition Steering Committee

Dr. Dale Wafer, Communications Director
